

 **TOYOTA COASTER**
oh what a *feeling!*

Comfort and versatility.

Deluxe model shown.

For all life's journeys.

Wherever you're headed – from a long trip to just around the corner – communal road trips are one of life's little pleasures. And with seating for up to 21 people (including driver), the improved Coaster ensures all your passengers will enjoy the ride. From the moment passengers step on board through the automatic sliding door (Deluxe grade), they'll notice the difference. As well as ample head and leg-room, there are comfortable semi-high-back seats (except fifth and sixth rows), large windows, air conditioning*, heating, seatbelts on every seat, and tinted windows across the range.

Driven by comfort.

Thoughtful design touches and additions have made the Coaster more of a pleasure for drivers too. In fact, your designated driver has never had it so good – with power steering, adjustable bucket seat with lumbar support, tilt adjustable steering wheel, and large brake boosters for smoother braking standard on all models. And with the option of a 4-speed automatic transmission (Deluxe grade), complete with driver footrest (Deluxe grade auto only), a quick, effortless ride is now just around the corner.

Looks great, sounds great.

Coaster also boasts a sense of timeless style. A redesigned front bumper and grille complement new headlamps and indicator lights, resulting in a sleek exterior. There are improvements inside too, with a clever instrument panel design, eye-catching upholstery (Deluxe grade) and improved storage space (Deluxe grade). As well as a PA system, we've also included an exciting audio system featuring an MP3 compatible CD player to ensure the on-road sing-along powers into the 21st Century.

Driver comfort.

Comfort and space.

A mover, not a shaker.

The one thing that hasn't changed is the Coaster's smooth ride. Independent front suspension with double wishbones and upper torsion bar, and long tapered rear leaf springs ensure a smooth, stable ride at all times, with minimal body roll. For added safety, ABS brakes allow for more controlled braking when it really counts and four emergency exits means fast evacuation. And speaking of fast, the Coaster's 4.0 litre turbo diesel engine shows great acceleration when you need it most.

Get off to a flying start.

Whether you're dropping off at the local school or sports club, or picking up from the airport, even with a full passenger load you'll marvel at the Coaster's smooth power. With both the 5-speed manual or 4-speed automatic transmission (Deluxe grade), the Coaster is as happy zipping around the city as it is cruising along on the freeway – even with trailer in tow. And when you get to your destination, you'll be pleased to know that the Coaster has been designed for smooth turning and easy parking.

With you for the long run.

Whatever use you put it to, you can rest assured that your Coaster will go the full journey. We've built it to last, with anti-corrosion steel throughout, tinted windows, hard-wearing upholstery, and of course, Toyota's famous mechanical reliability and durability. And it doesn't stop there. Optimised diesel-engine efficiency minimises gas emissions, and adheres to strict EURO IV emissions regulations, meaning the Coaster won't take the environment for a ride either.

*Not a standard feature on base model.

Toyota Coaster. Comfort and versatility.

Coaster technical specifications

Engine

Type – Turbo Diesel
Code – N04C-TQ
Configuration – 4 Cylinder, In-line
Max. Power – kW/rpm 110/2700
Max. Torque Nm/rpm – 397/1800
Valve Mechanism – 16-valve OHV
Fuel System – Electronic Direct injection with Common Rail
Displacement (cc) – 4009
Bore and Stroke (mm) – 104 x 118
Compression Ratio – 18.0:1

Transmission

Type – 5-speed Manual. Single dry plate diaphragm spring clutch.
Gear Ratios: 1st 5.099; 2nd 2.910; 3rd 1.652; 4th 1.000; 5th 0.674; Reverse 4.625
Final Drive Ratio – 5.375
Type – 4-speed Automatic. (Option on Deluxe model)
Gear Ratios: 1st 2.950; 2nd 1.530; 3rd 1.000; 4th 0.703; Reverse 2.678
Final Drive Ratio – 4.875

Steering

System – Power assisted recirculating ball and nut
Power Steering – Standard
Turning Circle Diam. (kerb to kerb) – 14.4m

Brakes

Brake Booster – 9" + 10" Tandem, vacuum boosted
Front – Ventilated disc
Rear – Drums, twin leading shoes
Park Brake – Drum type

Suspension

Front – Independent double wishbone, with gas dampers
Rear – Long tapered semi-elliptic leaf spring with gas dampers

Wheels

Tyres – 7.00R16-12PR LT (Dual Rear Tyres)
Rims (ins) – 5.5F-16 (Dual Rear Rims)

Dimensions

Wheelbase (mm) – 3935
Overall Length (mm) – 6990
Overall Width (mm) – 2095
Overall Height (mm) 2600
Front Track (mm) – 1690
Rear Track (mm) – 1490
Ground Clearance – unladen (mm) – 175

Weights/Capacities

Nominal Kerb Weight (kg)[^] – 3220-3400
Gross Vehicle Weight (kg)[^] – 4990
Seating Capacity – 21 including driver
Fuel Capacity (litres) – 95

Towing Capacity (Max)

With Trailer Brakes (kg) – 2000*
Without Trailer Brakes (kg) – 680*

No Toyota Genuine Towbar available for this vehicle

[^] Kerb and gross mass are nominal and will vary depending on options and accessories

* Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.

† This feature replaces the feature of the standard model.
